

Assignment No.3

- [Ratnadeep Shinde]

Here are key insights from "Report: Super Market Sales" dashboard:

- **City-wise Sales & Profit Insights**
- **Yangon** leads in all three metrics:
 - **Total Sales:** ₹110.57K (34.24%)
 - **Gross Income:** ₹5.27K (34.24%)
 - **COGS (Cost of Goods Sold):** ₹105.3K (34.24%)
- **Naypyitaw** and **Mandalay** are tied at 32.88% for all metrics.
- ➤ **Insight:** Yangon is the top-performing city across revenue, profit, and cost. Marketing efforts and inventory focus could be prioritized here.

- **Average Customer Rating**

- **6.97** is the overall average rating.
 - ➤ **Insight:** This rating is moderately positive, indicating room for improving customer satisfaction.
-

- **Overall Financial Metrics**

- **Sum of Total Sales:** ₹3,22,900+
 - **Sum of Gross Income:** ₹15,379+
 - ➤ **Insight:** The business is generating a healthy gross profit margin (~4.76% of total sales).
-

- **Top 10 Invoices & Insights**

- **Highest Single Invoice Total:** ₹721.98 (Yangon, Invoice: 898-04-2717)
 - **Highest Gross Income:** ₹34.83 (Same invoice as above)
 - **Highest COGS:** ₹687.60
 - **Top 3 Cities Represented:** Mandalay (5), Yangon (4), Naypyitaw (1)
 - ➤ **Insight:** Mandalay dominates the top invoices list (50%), suggesting some **high-value customers** or **bulk buyers** are located here.
-

- **Strategic Recommendations**

- Focus on **Yangon** for marketing and inventory push due to high performance across all financial metrics.
- Investigate **customer satisfaction** to boost the 6.97 average rating.
- Analyze **Mandalay** customers with high invoice values for loyalty programs or VIP services.
- Keep Naypyitaw under observation as its contribution is consistent but not leading.
